2018 Diversity Job Fair For Law School Students of Color

HOW TO REGISTER

- Eligible students must be entering their second year of law school (3rd year only if you are in a 4-year program) in the fall of 2018 in order to participate in a BLG job fair. **Employers are interviewing students only for 2019 Summer Associate positions.**
 - Student registration opens on Monday, April 23, 2018 and ends at noon on June 29, 2018.
- Registration includes providing your contact information, completing your academic profile and uploading your resume and transcript, including spring 2018 grades (unofficial copies accepted until official copies are available for you to upload). **Nothing more needs to be done. Students cannot bid on employers.**
- To register for the Diversity Job Fair, you are required to create an account on Symplicity. To do so, visit <https://law-blg-csm.symplicity.com/students>. **Please note that this Symplicity account is separate from your law school's Symplicity account.**
- Prior to June 29, 2018, your registration will remain pending. Your documents will not be approved until after the deadline. If the BLG does not receive all required registration materials by noon, June 29, 2018, your account will be deleted from BLG's Symplicity database and you will not have an opportunity to participate in any BLG 2018 job fair.
- Upon registering you will see the following message: *"Your registration has been received. An email will shortly be sent to your email to verify validity of your email address."* In order to activate your registration, you must check your email for the this message from Symplicity and confirm your email address.

If you do not confirm your e-mail address, your account will not be activated and it will remain disabled. The BLG will delete all disabled accounts on July 2, 2018. Your registration will not be approved and finalized until after you have uploaded a copy of your transcript¹ (including Spring 2018 grades) and a resume.

- You are ***NOT*** required to provide a writing sample at the time of registration, although the BLG recommends that you bring along a writing sample to the job fair.

¹ The BLG will accept an unofficial copy of your transcript. Please do not upload transcripts that contain watermarks, as it might affect visibility of your document or your ability to upload your document.
